

On the 9th day of Christmas Hedrick gave to me...

VERTIV™ GEIST™ RACK PDUs:

Enhance Business Agility, Efficiency and Availability with Vertiv™ Rack PDUs

- Have peace of mind with Geist patented locking cable sockets
*No more additional cable restraints!
- Geist Upgrade-able PDUs give you future proof flexibility to seamlessly upgrade intelligence as needs evolve.
- hot swap-able monitoring device can be replaced with no down time to connected equipment.
- From basic power delivery to sophisticated power monitoring with switched and outlet monitoring capabilities, our intelligent PDUs adapt to your business well into the future.

- Proactively monitor environmental conditions within the cabinet including temperature, humidity, airflow, door position, flood detection and more.
- Dual port ethernet switch, allowing fault-tolerant daisy chaining of multiple Geist PDUs.
- All standard PDU configurations available for shipment in 3-5 working days.
- On board Display provides user-configurable real-time power information on screen or via the geist mobile App
